

THE MILITARY ORDER OF THE COOTIE OF THE UNITED STATES

“The Honor Degree of the Veterans of Foreign Wars of the United States”

Listen Cootie:

The Veterans of Foreign Wars at its Convention in Las Vegas, Nevada, passed a By-Laws Change that requires the Post to notify all of its members when voting to start a new Pup Tent.

This is in Section 1201 and reads:

“All members must be notified of a pending vote for the establishment of a Pup Tent and a 2/3 vote of those attending the special or regular meeting must approve this formation.”

To protect the Military Order of the Cootie, we must have the form below signed by the Post Commander and it must accompany the Pup Tent Charter Application.
