Use this application to bond all fiscally accountable officers (those who handle money) of the MOC and MOCA for the period of **September 1, 2011 thru August 31, 2013**. Various sections of Supreme By-Laws specify that the office of CCDB, Quartermaster, Treasurer and all officers handling funds shall provide good and faithful bond, before assuming office, for the maximum amount of money normally held in all accounts.

The issued **two-year** bond protects the office of Seam Squirrel/MOCA President as well as the unit from any act of **intentional financial ruin through the embezzlement of funds. It does not provide for monies lost through theft (other than embezzlement), fire or acts of war or nature.**

**Minimum bond required is \$1,000.00 regardless of amount held in the treasury. There is no maximum amount. This bond is sufficient at all levels of the MOC/MOCA.**
