lotcs.org – USE IT!!!

1. **Inspections** – 26 inspections short from being 100 %. As of March 18th 2024, we are at 87.5% complete. Where we should be a whole lot closer to 100% with less than 2 months left of the reporting year. I have given a lot of leeway in this area, as I am trusting everyone to do their due diligence. AS I have said before “Now is the Time “. If you’re behind in your inspections, the time is REALLY NOW!!! It is time to do “IT” or get off the POT. All the reasons you had earlier in the year can no longer be your excuse now because you should have been able to figure out the solution by now. We have made inspections process so easy and accommodating for almost all situations. Paperwork side of it can be done thru pictures, over the phone, and email. Observing scratches can done thru zoom or a Face Time type platform. Inspectors do NOT have to be the one to conduct all the inspections. The Inspector just must ensure they are completed. So, let’s finish strong!! And get to 100% and surprise the heck out of the Supreme Inspector.
2. **Special Projects & Cootie House Support** – It needs to be absolutely crystal clear. The Special Project is just that a “Special Project”. We still need to complete our obligation to our “Special Project” for the National Home music program and Cootie House support, we are lacking in this area.
3. **Supreme Strides** - April 27th 2024, Salisbury, NC – details on - **lotcs.org**.
4. **Membership** – **82.31%** as of 15 Dec 2023. Submit your Transmittals Forms and Life Applications through your Grand Quartermaster/CCDB or Supreme QM for all Black Pup Tents. Get your Forms in NOW.
5. **Hospital Reports** – **376.54** as of 4 April 2024. Keep up the amazing work.
6. **Supreme Convention** – Information available on lotcs.org.... - **lotcs.org - use it!**
7. **Remarks** - BE Great Stewards for this organization and accomplish all the things we set out to do. Keep'em up right, so we can fulfill our true calling of:

“KEEPIN’ ‘EM SMILIN’ IN BEDS OF WHITE”.
