

March 2022

Hello out there is Cootie Land,

Just a quick reminder that it is time for MOC Auxiliary Nominations, Elections and Installations.

Article III, Sect 302-B states that officers shall be nominated and elected at a stated meeting at a time to correspond with the Pup Tent. (According to the MOC By-Laws, Sec 304-B officers shall be nominated and elected by the end of March).

Article 305-A states that the installation shall be held at a date to correspond with the Pup Tent and, if desired by mutual consent of Pup Tent and Auxiliary, may be joint. New officers shall assume their duties at the same time as their Pup Tent.

Installation Reports are on the MOCA Website under the Auxiliary Tab. After your installation, send a copy of your installation report to Rebecca Wischmeyer, MOCA Supreme Treasurer and a copy to Kathy Browne, MOCA Supreme Secretary.

Audits will be due again, in April, for January – March. Remember to send a copy to the MOCA Treasurer **NOT** the MOC Quartermaster.

The Supreme Scratch (Convention) and VFW National Convention will be held in Kansas City this year. Dates for the National Convention are July 16-21 (Hotel and registration info are on the VFW Website) and the MOC/MOCA dates are July 21-24, 2022 and will be held at the Marriott Kansas City, Overland Park. You can make your hotel reservations now thru the MOC Website.

Keep our Active-Duty Service members who are currently serving in areas of war in your prayers.

My sympathy to all who have lost a loved one and prayers to those who are feeling under the weather.

Loyally

Debbie Thie
MOCA Supreme President
