

Supreme President's Message August 2018

I am so very honored and humbled to have been elected Supreme President of this Great Organization. I pledge that I will fulfill the duties of this high office to the best of my abilities.

Congratulations to all the 2018-2019 Officers and Chairmen on all levels. I want all of us to have fun this year as we work hard to take care of our Veterans. Let us never forget their sacrifices to our country.

I want to say Thank You to the Past Supreme Presidents for their love and dedication to our MOCA. Your words of encouragement to not only the line officers but also to our members are so very valuable. Please know we are so very grateful for the wisdom and guidance we obtain from you.

Members, please work on recruiting new members and retaining current members. Our Auxiliaries need to grow so please do all you can to help us reach our 100% in membership this year.

Chaplains: Please send your monthly report to your Grand Chaplain. Auxiliaries not in a Grand please send those reports to our Supreme Chaplain. Grand Chaplains please send your monthly report to our Supreme Chaplain, with a copy going to your Supreme District Chaplain. It is important that we send cards to our members. Please report any deaths of members to not only our Supreme Treasurer but to our Supreme Chaplain. I want all honored at the Supreme Convention in 2019 at our Memorial Service.

Hospital Chairmen: Please send your reports to your Grand Chairman. **Grand Chairmen:** please compile the reports & send them to the District Hospital Commissioner. **Auxiliaries not in a Grand:** Please send your reports to your District Hospital Commissioner. Every one of you do the work - now let's make sure you get the credit. 2018-2019 Hospital forms are on the website. Supreme Hospital Commissioner, Janis Wimmer, asks that every Auxiliary uses the new forms.

Congratulations to Supreme Commander Emil, your Officers and Chairmen. Together the MOC and MOCA will grow in membership as we take care of our veterans who need us the most.

DATES TO REMEMBER:

Tomb Trek: November 1-4, 2018.

National Home Cootie Christmas: November 30-Dec 1, 2018.

Please check the website for information on both these events, and please plan on attending.

Loyally,

Patricia A Potter

Supreme President 2018-19

Veterans Are the Stars
