

Cootie Tickle

September 2024

Listen Cooties, Cuties and all of the Crummies,

Triple S spouting off in straight talk. This year has kicked off to a great start and I thank each and everyone of you for all your support and dedication to our great organization. Since leaving Louisville I have attended the VFW Commander-in-Chief's homecoming and the National Council of Administration.

I would like to start out by expressing my gratitude to PT 1 Mossy Mites, Savannah, GA and their Auxillary for the great time I had while in Savannah for Al's homecoming. If you are ever in Savannah, check out VFW Post 660. Last weekend I had the distinct honor of attending the National C of A in Kansas City, where Al presented me with a Supreme Commander VFW Cap. It was great to be honored this way and accepted by the council. I will give a full recap of these events, to include pictures, in the Cootie Courier. So be on the look out.

On to official Cootie business. We did not have a MOC/MOCA zoom this month due to the Labor Day holiday. But we do plan to have one in OCT to discuss Tomb Trek. On the subject of Tomb Trek, it is quickly approaching so make your travel arrangements and registration in ASAP. Also let us know if you would like to do anything extra during the down time i.e.; Town Hall (like last year), training (SOI), and/or, degree work. We only have a room set up for Sat/Sun.. So if you would like to do anything on Thur/Fri, we would need to arrange where to do it, if possible. Also, Tomb Trek is where the Supreme Line

officers take their first hack at travel assignments for the year. So please get your Supreme visit requests in before, if possible. If you have a specific person you would like to have visit the earlier your request is in the better.

For this year's zoom calls I would like to focus on training. So if you have specific areas that you would like to focus on, please get them to myself and the Supreme Adjutant

In closing , I look forward to a great year.

Yours in the LOTCS,

Robbie Normand
