

## *SKY PILOT Charge*

My Comrades pinned these wings on my chest,  
I've earned their confidence and will not rest,  
as a *Cootie*, "*Busier than a Bee*,"  
I wear them proudly for all to see,  
honoring my *Brothers* when they fall,  
in joy or sorrow I'll give my all,  
always vigilant to spot a frown,  
it's my duty to turn it upside down.
